3. HOW TO PLAY

Rules

1. One round takes you from the first floor to the fifth floor, where Sylvia is being held captive.
2. On each floor, different dangers and martial arts experts are lying in wait to attack.
3. The attacks of each of these enemies have to be dodged, and punches and kicks dealt out.
4. Some enemies will fall at one blow, others at two blows and others will only fall when their energy runs out.
5. Once caught by the enemy, Thomas' strength gets weaker and weaker. Operate the + control pad and buttons A and B quickly to get away from the enemy.
6. There is a timer for each floor. The enemy must be overcome and the stairs climbed within a fixed time limit.
7. Once the 5th floor has been reached and Sylvia safely rescued, you can proceed to the next round.
