## PRECAUTIONS

- As this Game Pak is a precision device, keep away from heavy shock and do not use under extreme temperature conditions.
- Do not touch the connectors and avoid water exposure, which might cause problems.
- Do not clean with thinner, benzene or alcohol.
- Always turn the power off before inserting or removing the Game Pak from the Nintendo Entertainment System.

**Warning:** Do not use a front or rear projection television with your Nintendo Entertainment System® ("NES") and this video game. Your projection television screen may be permanently damaged if video games with stationary scenes or patterns are played on your projection television. Similar damage may occur if you place a video game on hold or pause. If you use your projection television with this video game, neither SNK Corporation of America nor Nintendo of America Inc. will be liable for any damage. This situation is not caused by a defect in the NES or this game; other fixed or repetitive images may cause similar damage to a projection television. Please contact your TV manufacturer for further information.

Thank you for selecting IKARI III: THE RESCUE for your Nintendo Entertainment System from SNK. For maximum enjoyment, read this booklet carefully and save it for future reference.

# THE STORY

It is the end of the 20th century. A worldwide economic recession wreaks havoc with the nation and the planet. The impending threat of anarchy has given rise to a secret vice organization called 'Crime Ghost.' Dangerously poised to take over the world with its diabolic strategy, 'Crime Ghost' has infiltrated every country simultaneously. There is one President who has initiated a plan to wipe out the association, but now his home has been attacked and his daughter Elise abducted. A letter has arrived demanding that he resign his powerful position within a number of days, or else his beautiful Elise will be executed in a most unpleasant manner. The letter is signed 'Faust, the notorious mastermind of Crime Ghost. The president knows to whom he must turn.

The President has summoned two men known as Paul and Vince, the incredible Ikari Warriors. Now, YOU become Paul and Vince. You must go to the enemy hideout, rescue the lovely Elise, fight Crime Ghost, and destroy them all. To do this, you will use your undersea scuba tactics; your guerilla fighting power with machine guns and grenades; and your own brute strength, together with your superior Martial Arts skills, performing kicks, round-house kicks, jump kicks, punches and more. Ikari Warriors, save the world from chaos! Now!

# COMPLIANCE WITH FCC REGULATIONS

This equipment generates and uses radio frequency energy and if not installed and used properly, that is, in strict accordance with the manufacturer's instructions, may cause interference to radio and television reception. It has been type tested and found to comply with the limits for a Class B computing device in accordance with the specifications in Subject J of Part 15 of FCC Rules, which are designed to provide reasonable protection against such interference in a residential installation. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient the receiving antenna
- Relocate the NES with respect to the receiver
- Move the NES away from the receiver
- Plug the NES into a different outlet so that computer and receiver are on different circuits.

If necessary, the user should consult the dealer or an experienced radio/television technician for additional suggestions. The user may find the following booklet prepared by the Federal Communications Commission helpful: How to identify and Resolve Radio-TV Interference Problems. This booklet is available from the U.S. Government Printing Office, Washington, DC 20402, Stock No. 004-000-00345-4.
